Deloitte Gets the Job Done!

Eighty plus Deloitte and Touche volunteers and employees rolled up their sleeves and grabbed a shovel to repair the North Memorial Trail and extended the Infantry Woods Trail.

This is the second year for

Deloitte to help out the park. A big "Thanks" goes out to them for their hard and very well done work!

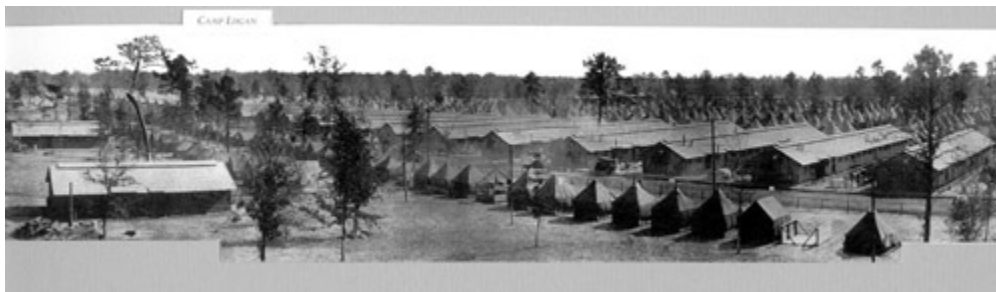

MPC's First Golf Tournament was a Hit!

It was good weather and good golf May 23rd. More that seventy players hit the greens and had fun at The Conservancy first charitable golf tournament, with all proceeds directed to help Memorial Park . Texas State Representative, Martha Wong presented to Parks Director Joe Turner an official State Resolution recognizing the 70th Anniversary of the Memorial Park Golf Course. Our next tournament will be May 22, 2007.

History Day at Memorial Park Elementary

Students at Memorial Park Elementary spent the day learning about Memorial Park's past on June, 10th. They also received a more "real" view of history, which can sometimes *seem* "long ago and far away" for our children. The students heard personal park stories from local residents and they also learned there was once a military training camp at the site of their park.
